MEMORANDUM ORDER

During the pretrial conference held on April 3, 2002, the parties' jointly-submitted final pretrial order ("FPTO") was approved and the case was added to the trial call (although the trial has not yet been scheduled, as explained hereafter). These schedules were established, with all filings provided for here to be made in this Court's chambers:

1. On each of the motions for summary judgment just filed by defendants, plaintiff's LR 56.1 response shall be filed on or before May 1 and defendants' replies shall be filed on or before May 15.

2. All motions in limine (other than those encompassed within defendants' summary judgment motions) shall be filed by each side on or before April 24, 2002, and the responses shall be filed on or before May 15, 2002. Unless requested by this Court, no reply memoranda are to be filed.

As to all objections that are reflected in the FPTO (including objections to exhibits) and that are not made the subject of

31

motions in limine, such nonfiling shall be deemed to constitute a representation by the objecting party that the matters raised by those objections may most appropriately be dealt with at the time of trial.

When this Court has dealt with the motions for summary judgment, it will include in its order or orders of disposition a requirement that counsel for the parties are to transmit letters to this Court, with copies to opposing counsel, identifying their respective unavailabilities for trial during a specified time frame. This Court will thereafter set the case for trial, and the following items will be due seven days before the date thus set for trial:

1. proposed voir dire questions and
2. proposed jury instructions.

Trial briefs are waived in any event.
